**Indicators Used**

<b>INDICATOR</b>	<b>DESCRIPTION AND HOW IT WAS CALCULATED</b>
Licensure Pass Rates	N.A.
Acceptance into Graduate Programs	<p>Our students graduate in two different streams: Business administration and Bachelor of Science in finance. After graduation, the University processes their degrees for approval to Ministry of Higher education in Afghanistan (MOHE). In the year 2017-2018, the accepted students into graduate programs were 88.88% for business administration and 85% for bachelor of science in finance based on a total two hundred and sixteen students.</p> <p>The students after graduation pursue their degrees in graduate programs worldwide. In the year 2017-2018, students preferred to study in Europe, as massive number of scholarships are bring awarded by EU countries.</p>
Graduation Rate	<p>Our University calculates the graduation rate based on the number of students admitted for a period vs total number of students graduated. In the relevant year of 2017-2018, the total number of students admitted through the entrance exams was two hundred and sixteen out of which one hundred and seventy five students graduated. For the Bachelor of Business Administration is (82.80%) and for the Bachelor of Science in Finance is (75.47%) The percentage for relevant year.</p>
Job Placement Rate	<p>Since in Afghanistan we are the first choice for students, because of the international faculty, curriculum, conferences with guest speakers, our students readily find a position even while still studying. We are very proud of the number of students who have found jobs during the academic year 2017-2018.</p> <p>All the one hundred and seventy-five students participated in the placement interviews and one hundred and twenty-two students for Bachelor of Business Administration and thirty-one students for Bachelor of Science in Finance successfully secured the jobs after interviews. The placement rate for the year 2018-2019 were (90.37%) and (77.5%).</p>
